The Registration Committee,

PHARMAFEST '10

Parul Institute of Pharmacy,
P.O.- Limda, Ta- Waghodia,
Dist- Vadodara-391760, Gujarat.

About Campus

Parul Trust was established in year 1991 by a visionary person; Dr. Jayeshbhai K. Patel. Baroda college of Pharmacy and Parul Institute of Pharmacy are the two ISO 9001:2000 certified pharmacy colleges approved by AICTE & PCI and affiliated to Gujarat University (GU) and Gujarat Technological University (GTU). Our colleges are committed to promote the highest professional and ethical standards of pharmacy, focus the image of pharmacist as a competent health care professional and support pharmaceutical education and science in all aspects. The institutes possess very good infrastructure with highly equipped laboratories and state of the art equipment and are situated in a green and clean environment. Our first batch of students graduated in 2008. We have also begun with postgraduate course (Pharmaceutics, Quality Assurance & Pharmaceutical Chemistry) in academic year 2008-09. The trust is also intending to start Pharm. D (Doctor of Pharmacy) program from the academic year 2010-11.

About Event

Co-curricular activities help the students to bring out their hidden potential and creativity. Last year we organized Pharmafest'09 to provide a platform to the undergraduate and post-graduate students of pharmacy from all over the country to interact with each other and exchange their views. The success of Pharmafest'09 has inspired us to indulge once again in organization of such an event. Hence, we decided to continue with Pharmafest'10, hoping to boost the students with new energy. During the symposium, students can participate in events viz, Quiz, Elocution, Model and Poster Competitions. The winners would be duly acknowledged.

Events Specifications
