

Wrocław University of Technology

Faculty of Electrical Engineering

Letter of intent

between

**Faculty of Electrical Engineering, Wrocław University of Technology,
Republic of Poland**

and

**Faculty of Electrical Engineering, Parul Institute of Engineering and Technology,
Vadodara, Republic of India**

18th March, 2009

In order to enhance mutual understanding and promote academic cooperation, the Faculty of Electrical Engineering of Wrocław University of Technology (FEE, WUT) and the Faculty of Electrical Engineering of Parul Institute of Engineering and Technology (FEE, PIET) agree to sign a letter of intent as follows.

A. The two Institutions will encourage academic cooperation in the fields of mutual interest, including:

1. Joint research activities among academic staff;
2. Exchange in a form of staff mobility, lectures, seminars, symposia and other academic activities;
3. Student exchange for study, research and cultural experiences.

B. The two Institutions will facilitate mutual visits by their faculties, administrators and representatives under the following conditions:

1. Prior approval is required by the host university, based on the relevance and merit of each visit;
2. Travel costs are to be covered either by the sending university or individually by the visitor.

C. The two Institutions will encourage and facilitate student exchanges under the following conditions:

1. Students must meet all academic requirements of the host institution;
2. All Bachelor graduates from the FEE, PIET will receive conditional pre-acceptance for the studies at the MSc level at the FEE, WUT;
3. The FEE, WUT is ready to offer short period internships at the affiliated Institutes and assist in finding internship in the cooperating companies from the Lower Silesia province.

D. All activities mentioned in this letter must be in full compliance with laws and governmental regulations of the Republic of India and the Republic of Poland.
